## **Allergen and Nutrition Advice:**

- ullet Ingredients highlighted in bold or annotated with  $\displaystyle ullet$  are allergens that are present in this product
- MC = Cross Contamination risk indicating that this ingredient is present in the manufacturing site / factory or supply chain and our suppliers believe there is a significant risk that this allergen could contaminate the food. Our busy kitchens endeavour to take all reasonable steps to avoid any risk of cross contamination however we cannot guarantee that our food is 100% free from a specific allergen

Adults need around 2000 kcal a day
