

GCSE EXAM SUPPORT

Class of 2022

Introduction

Your GCSEs are the final hurdle before leaving school. You've worked hard and contributed immensely to the school community. You are ready to go on, perform your best in the exams and leave Soham Village College knowing you've given it everything you can.

The purpose of this booklet is to provide you with essential information about how to prepare for your GCSEs. Subject heads have looked at the guidance given by the exam boards and included the topics and areas of focus in this booklet. If you have any further questions please ask! School is full of exam expertise and we want to help you in any way we can.

The key messages are:

1. Get organised! If you can't do it on your own, get help. Balance your subjects.
2. Start early – there is lots to do, the earlier you start, the more manageable it is, cramming your revision is stressful and not as effective.
3. Make use of all the things the school provides – we only recommend things that make a big difference!

Contents

- ❖ *How do I organise my revision?*
- ❖ *Where can I get resources to revise for my subjects?*
- ❖ *How do I revise?*
- ❖ *Two different templates for making a revision plan*

Where can I get resources to revise for my subjects?

The following pages contain the key revision information from every subject. Find your subjects and take note of them!

How do I revise?

The key message when revising is that it must be **active** and not passive. Passive would be just reading the revision guide then finishing and going to watch TV. Active revision is anything that involves thinking, making a decision or doing.

- ***Can you reduce the information down to half the size in note form? Can you reduce it further down to just keywords?***
- ***Can you draw pictures to help you remember it?***
- ***Can you summarise the information in 5 key points then put them in order of importance?***
- ***Can you draw a mind map and link the information on a topic together?***
- ***Can you turn the page of information into a 10 question quiz that you can get someone to test you on?***
- ***Can you make flash cards with keywords on one side and definitions on the other?***
- ***Can you make a podcast about the thing you are learning about?***

How do I revise?

Once you feel like you've revise a topic, you need to **test yourself** to see if you really have and practice applying that knowledge. If the subject you are revising for involves writing them you must practice writing your answers

You can do this by answering questions in the revision guides, or by answering the relevant pages in a workbook or internet site.

It is extremely important that you mark the questions yourself – there is no point in doing questions if you don't know if they are right or not

Exam practice – build up to trying exams, there are not many practice papers so use them wisely! Make sure you mark them afterwards – get help from someone if you struggle. If you can't help looking at the answers, give them to someone responsible!

Subject: Maths

Number of exams in and length:

3 papers 1 $\frac{1}{2}$ hours each, equally weighted.

Paper 1 is non-calculator, papers 2 and 3 are calculator allowed.

Students are provided with a formula sheet in the exam. Students have been given a paper copy to help with revision and an electronic copy can also be found on the maths revision Google Classrooms (details at the bottom of the page)

Topics that are assessed on each paper:

All students will be given a copy of the paper by paper breakdown of topics released by Edexcel. These are also available on the maths revision Google Classrooms.

Recommended resources to use to revise and where they can be found:

- Past papers will be given out to be used in class and at home
- An extra set of past papers will be available on Google Classroom
- Mymaths www.mymaths.co.uk
- Mathswatch: vle.mathswatch.co.uk/vle/
- Corbettmaths videos and exam practice www.corbettmaths.com
- Maths Genie <https://www.mathsgenie.co.uk/gcse.html>

Further revision info, online links and links to Eedi webinars can be found on the maths revision google classrooms:

Higher code: gra4lpe

Foundation code: mp7iyyv

A reminder that the final two maths twilight revision sessions are on Wed 27th Apr and Wed 4th May (bookable through the parents evening booking system)

Subject: English Language (Eduqas)

Number of exams in and length:

- Component 1 - 1 hour and 45 minutes
- Component 2 - 2 hours

Topics that are assessed on each paper:

Component 1

Section A – Reading (40 marks)

This section will test through structured questions the reading of an unseen extract from one 20th century literary prose text. This section assesses AO1, AO2 and AO4.

Section B – Writing (40 marks)

This section will test creative prose (story) writing through one 40-mark task. Candidates will be offered a choice of four titles giving opportunities for writing to describe and narrate, and imaginative and creative use of language. This section assesses AO5 and AO6.

Component 2

Section A – Reading (40 marks)

This section will test through structured questions the reading of a newspaper article (from the 21st century) and an extract from a non-fiction book (from the 19th century). This section assesses AO1, AO2, AO3 and AO4.

Section B – Writing (40 marks)

This section will test transactional, persuasive and/or discursive writing through two equally weighted compulsory tasks (20 marks each). Across the two tasks candidates will be expected to write a formal letter and a magazine article for different audiences and purposes, adapting style to form and to real-life contexts. This section assesses AO5 and AO6.

Recommended resources to use to revise and where they can be found:

- English Language revision workbook (available from the Finance Office)
- Revision materials on Google Classroom (join with code: **ead55so**)
- Past papers and other materials from the class teacher.

Subject: English Literature (Eduqas)

Number of exams in and length:

- Component 1 - 2 hours
- Component 2 - 2 hours

Learners are not permitted to take copies of the set texts into the examination.

Topics that are assessed on each paper:

Component 1

There will be two separate one-hour papers, one for 'Macbeth' (one extract and one essay question) and one for 'An Inspector Calls' or 'Lord of the Flies' (one essay question). These will be scheduled in the same session of the examination timetable and candidates will complete both papers back-to-back.

Component 2

There will be two separate one-hour papers, one for 'A Christmas Carol' or 'Jekyll and Hyde' (one essay question in which you will be required to make links to context) and one for Unseen Poetry (one question about a single poem and one question asking you to compare the first poem with a second one). These will be scheduled in the same session of the examination timetable and candidates will complete both papers back-to-back.

Recommended resources to use to revise and where they can be found:

- English Literature revision guides for all texts are available from the Finance Office.
- Revision materials on Google Classroom (join with code: **d55x4ad**)
- All work completed in your purple workbooks in class.
- Past papers and other materials from the class teacher.

Subject: Combined Science

Number of exams in and length:

Three exams, each 1 ¼ hours

Topics that may come up in the mock [See your Google Classroom for details of the focus topics provided by AQA for each paper]:

Trilogy biology paper 1 - 1 ¼ hours [Tue 17 May]

Trilogy chemistry paper 1 - 1 ¼ hours [Fri 27 May]

Trilogy physics paper 1 - 1 ¼ hours [Thr 09 Jun]

Trilogy biology paper 2 - 1 ¼ hours [Wed 15 Jun]

Trilogy chemistry paper 2 - 1 ¼ hours [Mon 10 Jun]

Trilogy physics paper 2 - 1 ¼ hours [Thr 23 Jun]

Recommended resources to use to revise and where they can be found:

Revision guide - The contents section in the front of the book lists the topics by paper.

BBC Bitesize AQA Trilogy

<https://www.bbc.co.uk/bitesize/examspecs/z8r997h>

In addition, resources will be uploaded onto google classroom.

The login details are:

Foundation – **oxrr7qp**

Higher – **4gqqm2y**

Students will need to make sure that they are familiar with the required practicals for each paper, as these **will be** a key focus (see Google classroom for details).

Additional revision materials are available for purchase via the finance office, these resources will be sold at cost price which is significantly cheaper than on the 'high street'.

Lunchtime revision sessions, focusing on the three key topic areas for the exam, will start on **Monday 25 April** and will run through to **Friday 13 May**. Details of these and how to sign up will also be published shortly. Students will need to sign up in advance for each session using the same method as for parents evening.

Subject: Separate Sciences

Number of mock exams in March and length:

3 exams, each 1 hours and 45 minutes

Topics that may come up in the mock [See your Google Classroom for details of the focus topics provided by AQA for each paper]:

Biology paper 1 - 1 ¼ hour [Tue 17 May]

Chemistry paper 1 - 1 ¼ hour [Fri 27 May]

Physics paper 1 - 1 ¼ hour [Thr 09 Jun]

Biology paper 2 - 1 ¼ hour [Wed 15 Jun]

Chemistry paper 2 - 1 ¼ hour [Mon 10 Jun]

Physics paper 2 - 1 ¼ hour [Thr 23 Jun]

Recommended resources to use to revise and where they can be found:

Revision guide - The contents section in the front of the book lists the topics by paper.

BBC Bitesize Biology

<https://www.bbc.co.uk/bitesize/examspecs/zpgcbk7>

BBC Bitesize Chemistry

<https://www.bbc.co.uk/bitesize/examspecs/z8xtmnb>

BBC Bitesize Physics

<https://www.bbc.co.uk/bitesize/examspecs/zsc9rdm>

In addition, resources will be uploaded onto google classroom. The login details are: **v4i3lap**

Students will need to make sure that they are familiar with the required practicals for each paper, as these **will be** a key focus.

Additional revision materials are available for purchase via the finance office, these resources will be sold at cost price which is significantly cheaper than on the 'high street'.

Lunchtime revision sessions, focusing on the three key topic areas for the exam, will start on **Monday 25 April** and will run through to **Friday 13 May**. Details of these will also be published shortly. Students will need to sign up in advance for each session using the same method as for parents evening.

Subject: Computer Science

Number of exams and length: 2 papers each 90 minutes long

Topics that are assessed on each paper:

Component 1 has reduced content and the following topics have been excluded:

1.1.2 CPU Performance

1.1.3 Embedded System

1.3.1 Only the Star and Mesh Topologies sub-topic is excluded

1.3.2 Only The Concept of Layers sub-topic is excluded

1.4.1 Threats to computer systems and networks

1.5 Systems software, the whole topic has been excluded

Component 2 has no reduced content and will be examined in full.

Recommended resources to use to revise and where they can be found:

<https://revisecs.computerscienceuk.com/free-resources/>
<https://student.craigndave.org/gcse-ocr-j277-computer-science-videos>
<https://app.senecalearning.com/classroom/course/a1ce4570-6e27-11e8-af4b-35cf52f905c2/section/65ac2e24-3b57-4598-b4dc-01e04eddee1b/session>

Subject: Design & Technology Product Design

Number of exams and length:

One exam which is 2 Hours long.

Topics that are assessed on the paper:

General knowledge of the following:

- D&T and our world – CAD/CAM, Manufacturing, New and Emerging Technologies.
- Electronics – Inputs/Process/Outputs, Circuits and Feedback
- Mechanisms – Principles of levers and motions
- Smart Materials – Modern Materials, Smart Fibres.

In-depth knowledge of one of the following material areas:

- Natural & Manufactured Timber,
- Ferrous & Non-Ferrous Metals,
- Thermoforming & Thermosetting Plastics,

Recommended resources to use to revise and where they can be found:

Revision podcasts on sohamdt.com – YR 11 Tab

Super theory powerpoint on sohamdt.com – YR 11 Tab

Students also have their theory books which have all of their theory work in which can be used to revise from.

All Design & Technology classrooms have class sets of Revision guides which they can use to revise and borrow.

Useful websites which can be used for revision:

www.sohamdt.com – YR 11 tab

www.technologystudent.com

<https://www.bbc.co.uk/bitesize/examspecs/z4nfwty> - Eduqas

Subject: Drama

Resources given by school:

Google Classroom 'Class of 2022 GCSE Drama is continually updated with information and examples

The GCSE Drama revision guide is an excellent way to make sure that you are prepared for C3. We have copies of this available for £3 from the finance office.

Your teachers will be holding Portfolio sessions on Wednesday lunchtimes and after school rehearsals by arrangement.

Useful websites:

- <https://www.bbc.co.uk/bitesize/subjects/zbckjxs>
- <https://www.bbc.co.uk/bitesize/guides/zysyvcw/revision/1>

Other useful resources:

- 'An Inspector Calls' set text

Top 5 tips when revising for Drama:

- 1) Read and **act out** moments from 'An Inspector Calls' so that you have *practical experience* of playing the characters across the whole of the play.
- 2) Make specific notes about moments from 'The Curious Incident' to fit onto an A4 page. Include sketches and *specific drama terminology*.
- 3) Research the **historical context** of 'An Inspector Calls' so that you know what the playwright wanted his *audience* to feel and experience.

Subject: Food Preparation and Nutrition

Number of exams in and length:

One exam 1 hour and 45 minutes long (20 multiple choice and 80 marks of extended questions)

Topics that are assessed on each paper:

All topics below will be assessed throughout the exam, however AQA have pre-released exam material for 2022. Please follow the link below to access the material:

<https://filestore.aqa.org.uk/content/summer-2022/AQA-8585-AI-22.PDF>

Topics assessed:

*Food, nutrition and health
Food science
Food safety
Food choice
Food provenance*

Recommended resources to use to revise and where they can be found:

- Illuminate Publishing AQA FP&N Revision Guide (to be returned after final exam)

- Mock and Past papers from AQA website

- <http://www.illuminate.digital/aqafood/>

Login- SSOHAM 3 Password- STUDENT3

- <https://www.bbc.co.uk/bitesize/subjects/zdn9jhw>

- BBC Teach playlist:

https://www.youtube.com/playlist?list=PLcvEcrsF_9zInjxnoPbjRXHScw_zEKTuGr

Subject: Film Studies

Number of exams in the subject and length:

2 Exams:

Component 1:

1 hour and 30 minutes

Component 2:

1 hour and 30 minutes

Content that will feature in Component 1:

(Advanced Information from Eduqas in blue)

Section A

Rear Window

- The key elements of film form *
- Genre

Witness

- The key elements of film form *
- Genre

Rear Window compared to Witness

- Comparison of character, theme, context, narrative

Section B

Film History

- Key facts on the development of film over time.

Section C

Juno

- The Specialist Writing: Gustavo Mercado's *Finding the Frame*

Subject: Film Studies

Content that will feature in Component 2:

(Advanced Information from Eduqas in blue)

Section A

Slumdog Millionaire

- The elements of film form *
- The distinction between plot and story
- Narrative conventions

Section B

Tsotsi

- Representation – age

Section C

Skyfall

- Mise-en-Scene
- The aesthetic qualities of film

* The elements of film form are:

Mise-en-Scene, Cinematography, lighting, sound, editing

Recommended resources to use to revise and where they can be found:

All revision materials/supporting resources, web links, quizlets, exam board mark schemes/model exam papers, and a wealth of Power Point presentations, videos and pdfs are located on the *Film Studies Google Classroom*.

Subject: Geography

Number of exams in and length:

Paper 1 (Physical Geography) – Monday 23rd May 2022 – 1 hour 30 mins

Paper 2 (Human Geography) – Tuesday 7th June 2022 – 1 hour 15 mins

Paper 3 (Geographical skills)- Tuesday 14th June 2022 – 1 hour

Topics that are assessed on each paper:

Paper 1 – *Section A - Natural Hazards* (tropical storms – Typhoon Haiyan case study, tectonic hazards – Nepal and New Zealand earthquake case studies, climate change, UK extreme weather – Beast from the East example). *Section B – Living World* (ecosystems – UK pond example, tropical rainforests – Madagascar case study, cold environments – Svalbard case study). *Section C – Physical Landscapes in the UK* – Coastal landscapes (Dorset coast example) and River landscapes (River Tees and Morpeth examples).

Paper 2 – *Section A – Urban challenges* (London case study, Nairobi case study, sustainable urban living – Freiburg example). *Section B – Economic world* (development – Tunisia example, NEE case study- Pakistan, UK Economy).

Paper 3 – *Section A – Pre-release. Section B – Unseen fieldwork skills.*

Recommended resources to use to revise and where they can be found:

- Revision booklet an overview booklet which will be provided by the school
- Class work and assessment feedback
- CGP revision guide and AQA GCSE Geography flashcards – available to purchase from Amazon
- Past papers – can be accessed from the AQA GCSE Geography website [AQA | GCSE | Geography | Assessment resources](#)
- Materials uploaded to Google classroom e.g., revision sheets and knowledge organisers
- After-school revision sessions run by the Geography department
- Tutor 2u revision videos on YouTube
- BBC Bitesize and Seneca can be used for short knowledge recaps

Subject: History

Number of exams and length

- Paper 1 – Crime & Punishment and Whitechapel – 1 hour 15 minutes
- Paper 2 – Life in Germany – 1 hour 20 minutes
- Paper 3 – Early Elizabethan England – 55 minutes

Useful websites:

- <https://www.bbc.co.uk/education/topics/z29rbk7>
- <http://www.bbc.co.uk/schools/gcsebitesize/history/mwh/germany/>

Other useful resources:

We will be providing all students will an exam guide, free of charge after Easter. There are also commercial revision guides available to buy. The 'Revise Edexcel GCSE (9-1)' series is created by Pearson and there is one for each of the courses above. These are available at all main retailers. We will be giving copies of these to students who are eligible for financial support.

We will be setting Seneca revision homework every week. This will be useful for content revision for all 3 exams.

Revision sessions will run after school on the following days:

Thursday 28th April

Thursday 5th May

Thursday 12th May

Thursday 26th May

Please contact your teachers for further details.

Top tips when revising History

- 1) Be clear on the order of events, you don't have to learn hundreds of dates but you do need to know sequences. Timelines are useful for this.
- 2) Don't learn isolated facts – think 'how might this information be useful in the exam?' 'what type of question might it help with?'
- 3) Try to write questions based around the ideas such as change, causes, consequences. Use your mock exam papers to help you.

Subject: MFL - French

Number of exams in and length:

FRENCH	Speaking	Weds 27 Thurs 28 April Duals Weds 4 May	12 mins prep + 10-12 mins exam
	Listening	24 May	HGR 45 mins FDN 35 mins
	Reading	24 May	HGR 1 hour FDN 45 mins
	Writing	16 June	HGR 1 hour 20 mins FDN 1 hour 5 mins

Topics that are assessed on each paper:

SPEAKING/LISTENING/READING

- **ALL** THEMES/TOPICS MUST BE REVISED **UNTIL 24 MAY**

WRITING

- AFTER 24 MAY, you need to revise these topics for Writing

WRITING GCSE FRENCH - FOUNDATION

Foundation tier
