Split lunches and breaks:

Year 11 will have the use of Beechurst

Years 7 and 9 will use area 1

Year 8 and 10 will use area 2

This will ensure the mixing of year group bubbles is minimized.

Split lunches and breaks:

Year 11 will have use of the both food outlets.

Beechurst playground, Beechurst Foyer and the area outside B16 will be available as social areas. There are lines marking the limits of this space to ensure lessons can continue with minimum distraction.

The path from Beechurst playground to B16 is a non-waiting area.

Area 1: Food will be served at the Lodeside walk through server. Area 1 includes Lodeside hall and playground. Please use the right hand doors to go in and out. The area outside is marked with lines on the ground

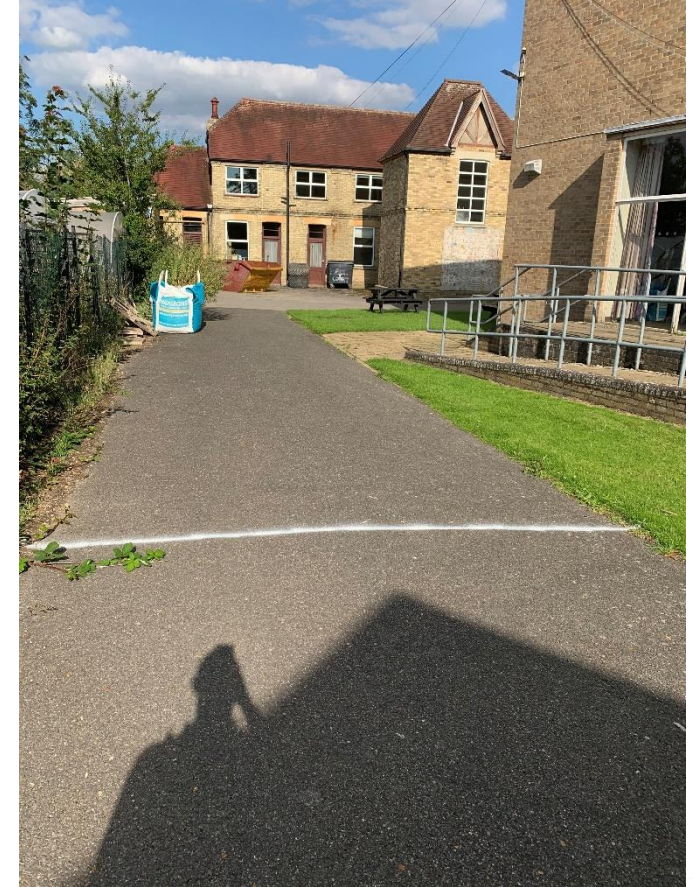

There is a section of the field included in area 1. This can be accessed via the field gate next to M3. There is a newly made picnic area at the back of M block

Area 2: Food will be served at the canteen. Area 2 includes the astro turf area, the playground next to the tennis courts and the area up to the doors of L2.

There is a section on the field included in area 2. This can be reached by the gates opposite the doors at the back of Lodeside. The area marked with lines on the ground.

All areas will be cleaned during the 30 minutes between uses by the year groups

To minimize disruption and to allow for social distancing, no other inside areas are open during social times

Toilets in Lodeside will be used by both bubbles. There will be enhanced cleaning here to keep it safe

Staying safe in school during COVID-19

There will be one way systems in place during lesson change overs and social time:

Beechurst - entrance is through the double doors opposite B11. Exits are through G block, B18, the stairs next to B5 and Beechurst foyer (past B6).

Lodeside corridor will be one way from Beechurst side down towards technology

Science entrance will be via the double doors and exit through the second door in the classroom

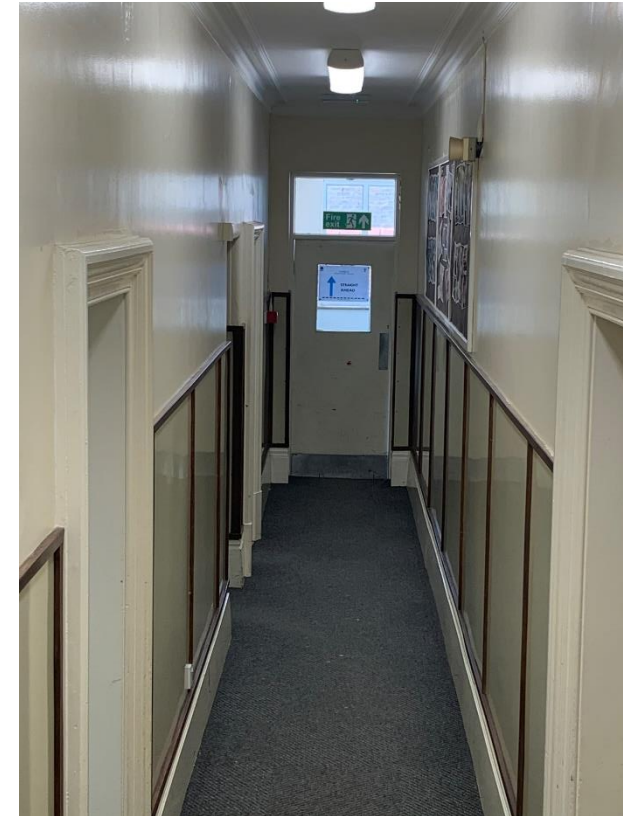

MFL entrance via the main double doors and exiting by M6

Where possible, classrooms will all face forward and teachers will be a 2m distance away. Keeping to your seating plans is essential in case track and trace are required.

Staying safe in school during COVID-19

There are hand sanitizer stations around school. These are for your safety and those around you. Use them when necessary

Staying safe in school during COVID-19

General behaviours to help reduce the spread of COVID-19:

COVID-19 is most likely to spread by droplets in the air being inhaled or by touching a surface with enough of the virus on it

- Regularly sanitize your hands (washing with soap for 20 seconds or use hand sanitizer)
- Try to maintain a 2m distance where possible
- Masks must be worn at all times
- Bring all your own stationary so you don't need to borrow anything
- Follow the one-way systems
- Be prompt in and out of lessons to minimize wait time and potential for bubble mixing
- Don't share food or drinks with friends
- Don't drop litter
