

## The Local Offer

All local authorities working with their partners must publish in one place information about the services they expect to be available in their area for children and young people 0 - 25 who have special educational needs and/or disabilities (SEND). This is known as the local offer. The local offer is a 'front door' to information from education, health and social care about the provision that is available for children and young people with special educational needs and disabilities (SEND) and their families.
