

My child has difficulties with Communication and Interaction

This can include:

- Understanding language.
- Using language.
- Understanding how to communicate socially with other people.
- Conditions include: Specific Language Disorder, ASD/ASC (Autism), Asperger Syndrome, speech sound disorders/delay.
- Stammering – advice given to families about how to access support from outside agencies.

What can SVC offer?

All students at SVC can access

- Quality First teaching with appropriate differentiation (including best SEND practice).
- Visual aids to support key vocabulary, concepts and themes.
- Whole-school awareness to encourage meta-cognitive learning.
- Access to homework support clubs.
- Access to supported games club.
- Access to assessment for identification of significant needs.
- Single point of access throughout the school day for all Additional Support needs through Key Stage Managers based in The Hub.

Support for targeted groups of students may include

- Assessment and identification of language need and feedback to parents and staff.
- In-class Teaching Assistant support in some lessons.
- Year 7 Transition Groups.

Targeted individual support may include

- 1:1 session with a speech and language therapist.
- 1:1 sessions with other specialist staff in the school, linked to other needs on Education Care and Health Plan or Statement.
- Individual teaching assistant support in some mainstream lessons.
- On-going monitoring and regular feedback to parents and students.
- Exam access arrangements.
- Post 16 transition support.
