

October 2019

Dear Parent/Carer,

**Festival Bridge 'Creating the Future' careers event**

Festival Bridge works with young people across East Anglia to provide cultural opportunities for them, and highlight the huge range of careers available within the creative industries, including advertising and marketing; architecture; design; film, TV, radio and photography; publishing; museums and galleries; and music, performing, literary and visual arts.

We have been working with Festival Bridge over the past 9 months on various projects, one of which has culminated in several students helping to produce a series of fantastic short career videos highlighting some of the industries mentioned above involving real-life industry professionals. These videos provide an excellent insight into what it is like to work in the creative world and we are keen to showcase them to all students and parents.

Soham Village College and Festival Bridge would therefore like to invite you and your son/daughter to our launch event on **Monday 18<sup>th</sup> November 6pm – 7pm** in the **Performing Arts Centre**, during which the videos will be shown and industry representatives will be presenting. This is an excellent opportunity for students who have an interest in pursuing a career in the creative industries to find out more, and to meet and speak to industry professionals.

The event is free but on a strictly first come first serve basis. If you would like to attend with your son/daughter, please email [noakhill@soham-college.org.uk](mailto:noakhill@soham-college.org.uk) with your son/daughter's name and the number of seats required. **The closing date for seat reservations is Tuesday 12<sup>th</sup> November.**

Yours sincerely,

Mr Nick Oakhill  
Careers Manager
