Dear Parent/Carer,

Re: Finding all homework set on Go4schools

I hope you are finding the Go4schools homework module useful. We continue to develop our use of it and to improve the consistency of homework being recorded.

Please note that any homework with a due date over a week in the future (such as extended projects), will not automatically appear in the homework overview.

To be able to view all homework including these, please click on 'view full list of homework tasks' as shown below.
