Drowning Prevention

The Mineral Products Association Stay Safe Campaign would like to give families the skills and knowledge they need to enjoy the water, safely. More information can be found at www.rlss.org.uk/drowning-prevention-week. The web page has a link to a powerful video – ‘The families’ story’ that graphically illustrates why these messages are so important.

Volunteering & Job Opportunities

Are you looking for an opportunity to work with Children and Young People with Disabilities?

The Community Support Service and CamPlay provide short breaks to Children and Young People with additional needs, aged 0-19 years, as part of the Cambridgeshire Local Offer for Children and Young People with Disabilities. We offer support in the home and community, Saturday Clubs, Community Clubs and Holiday Clubs throughout the county of Cambridgeshire. We are always looking for enthusiastic staff to join our team!

We are currently recruiting for both services on a relief contract basis. The flexible nature of the job provides a way of ‘topping up’ hours in holidays, after school, weekends and evenings. We also provide a comprehensive training programme and support in working with Children and Young People with a wide range of Learning and Physical Disabilities, which are skills that can be brought back to your existing job. We are based at Buttsgrove Centre, but have work available across Cambridgeshire county.

Please find our recruitment poster attached. If you would be interested in applying or have any questions, please get in touch on;

Community.SupportServices@cambridgeshire.gov.uk or 01480 379800. We have ongoing recruitment with regular interviews, and you can visit; www.publicsectorjobseast.co.uk to directly apply.

You can also find out more information about who we are and what we do on our website; www.cambridgeshire.gov.uk/CommunitySupportService

Free Summer Singing Project

Just Sing!

Cambridgeshire Music is delighted to introduce Just Sing – a free project based on an original song of the same name. We are excited to be running this project in partnership with Norfolk Music Hub. The song itself is a fun and upbeat number all about the joy of singing and it is suitable for primary and secondary children alike, including children with special educational needs.

Over the next nine weeks, we will be releasing weekly resources and activities all linked to the project. These will all be activities that can be done at home and include everything from kitchen percussion tutorials to videos to support singing and instrumental work. We would love as many people as possible to get involved across Cambridgeshire and beyond. To join the project, you will need to register via the Account tab of Cambridgeshire Music's website [here](#). Please see the attachment for more detailed instructions about how to register, if you do not yet have an account with us. If you need any help setting this up, please contact our business team on 01480 373500 or via email cm@cambridgeshire.gov.uk.

Once you have signed up for the project the resources will be emailed to you every week until the end of August. We would love it if you let us know how you brought the song to life so we can inspire others to get involved too! Whether it's a recording of a performance or a piece of artwork that was created in response to it, please do keep in touch with us at cm@cambridgeshire.gov.uk. If you post your performances of the song or creations on social media, please use the hashtag #JustSing2020 and tag us in @CambridgeshireMusic;
