

6 October 2020

To Parents/Carers of all students in years 7, 9 and 11,

Our annual individual school photographs will be taken this Thursday morning, 8th October.

Please can I ask you to ensure your child attends school in their correct uniform.

Students will be advised of their time slot by their form tutor on the morning. They will then attend the photos in tutor/year group bubbles with time between each group allowing us to clean the area.

The Year 11s will have their year group photo taken in April next year when we hope Covid restrictions will have been lifted enabling us to have this photo taken.

With kind regards,

Mrs Ali Daniels
Student Services Manager
