Dear Parents and Carers,

Re: Year 7 Parent information video

We are pleased to be able to direct you to the parent information video for year 7. This replaces our usual parent information evening which we have had to cancel due to the ongoing pandemic.

The video includes: an introduction from Mr Hampson, a talk from Mr Daybell about the year so far, Mrs McDonald explaining the best way to support your child in maths and finally a talk by me about Go4Schools and how we can work together to support your child to be as successful as possible.

You will find the link on our website;

I hope it is useful and informative. If you have any questions please do not hesitate to get in touch.

We look forward to working together to support your child to be as successful as possible.

Yours sincerely,

Mr Slingsby

Assistant Head
