

19 October 2020

Dear parents and carers,

Following on from the parents' information video and accompanying letter informing you about the use of the PiXL times tables app that was sent out last week, I have now done a 'how to' guide for getting your child logged on and making the most of the app to learn and improve times table fluency.

Please find the 'how to' guide attached to this email. All students in years 7 and 8 will also be given the same information in an online assembly on Wednesday.

If you have any queries, please do not hesitate to get in contact.

My email address is kmcdonald@soham-college.org.uk

Yours sincerely,

Mrs K McDonald
Maths Faculty
