

26<sup>th</sup> November 2020

Dear Parent/Carer,

## Year 7 reports

The first of our reports for Year 7 students is now available through Go4schools and can be accessed through the front page of our website: <https://www.sohamvc.org/page/?title=Go4Schools&pid=1053>

The purpose of this snapshot report is to give you a quick update on progress and attitudes in lessons 'at a glance'. Students have been in school long enough to have an assessment of some kind in all their subjects. This will be reflected in their current grade. This will change regularly as more assessments are completed as the year goes on.

Students have an end of year target that is derived from targets produced by FFT. The targets give an idea of what a student with a similar prior attainment would be expected to get nationally and can be a useful reference point; however, they are only a guide. The current grade is the most important as this changes with each assessment that is completed and gives the best indication of whether or not your child is making progress or not as the year progresses. There is more information about how the end of year target is produced in the year 7 information video <https://www.sohamvc.org/page/?title=Information+Evenings&pid=1203>.

Subjects will also report on:

- Attitude to learning – how well your child approaches each lesson
- Attendance this academic year
- Behaviour this academic year

There will be another snapshot report published on the 1<sup>st</sup> March 2021 just before the virtual Parents Evening on the 11<sup>th</sup> March 2021 and a full report will be available on the 19<sup>th</sup> July 2021.

If you have any subject-specific queries about your child's report, please contact the relevant department and if you have any wider concerns about school contact Mr Daybell at [mdaybell@soham-college.org.uk](mailto:mdaybell@soham-college.org.uk).

Yours faithfully,

Edward Slingsby  
Assistant Head
