Are you looking for an opportunity to work with Children and Young People with Disabilities? I am part of the recruitment team for the Community Support Service and CamPlay run by Cambridgeshire County Council.

The Community Support Service and CamPlay provide short breaks to Children and Young People with additional needs, aged 0-18 years, as part of the Cambridgeshire Local Offer for Children and Young People with Disabilities. We offer support in the home and community, Saturday Clubs, Community Clubs and Holiday Clubs throughout the county of Cambridgeshire. We are always looking for enthusiastic staff to join our team!

We are continuing to support Children and Young People and their families throughout the COVID 19 pandemic as it widely recognised that children with disabilities need to continue having positive experiences in the community whilst parents/carers have much needed respite. We also provide a comprehensive training programme and support in working with Children and Young People with a wide range of Learning and Physical Disabilities, which are skills that can be brought back to your existing job.

We are based at Buttsgrove Centre, but have work available across Cambridgeshire county.
