

January 2022

Dear Parents and Carers,

## **Virtual Work Experience Opportunity – Years 10 & 11**

Our work with Springpod continues and I am delighted to let you know about the next round of experience opportunities are available, due to run from 14<sup>th</sup> February (Spring half term).

The range of industry sectors available are:

Banking	Barclays Life Skills	Business Management
Dentistry	Engineering	Finance and Accountancy
IT & Technology	Politics	Property
Psychology	Publishing	TV & Film
Teaching		

Students can complete their chosen programme in their own time between the designated dates, and a certificate is awarded at the end. As well as giving students a fantastic insight into a sector they are interested in, completion of the programme is great for inclusion in college and university application personal statements, CV's and job applications.

The programme can be viewed via this website address - <https://www.springpod.co.uk/virtual-work-experience>

The closing dates for registration using the above link vary but most are around 9th February, and it is recommended that students register as soon as possible to guarantee their placement.

You might also notice that some programmes are now advertising their Easter holiday dates. Although students are currently unable to register for these, they can register their interest so that they can be alerted when the registration process opens. This might be useful for any programmes that fill up quickly or the February half term might not a suitable time for some students.

Yours sincerely,

**Mr Nick Oakhill**  
**Careers Education, Information, Advice & Guidance Manager**
