

22 September 2022

Dear Parent/Carer,

Virtual Work Experience Opportunity – Years 9, 10 & 11

Our work with Springpod continues and I am delighted to let you know about the next round of experience opportunities which are available, due to run mainly during the Autumn half term (24 - 28 October)

The range of industry sectors has expanded and there are some exciting new opportunities available:

Agriculture	Barclays Life Skills	Coventry Building Society
Engineering	Finance and Accountancy	Fujitsu (IT)
Graphic Design	Investment Banking	Journalism
Law	London NE Railway	Marketing
Pret A Manger Apprenticeships	Property Management	Specsavers
STEM Careers in Acoustics	Sustainability	Technology
TV & Film		

Students can complete their chosen programme in their own time between the designated dates, and a certificate is awarded at the end. As well as giving students a fantastic insight into a sector they are interested in, completion of the programme is great for inclusion in college and university application personal statements, CV's and job applications.

The programme can be viewed via this website address - [Springpod.com/virtual-work-experience](https://springpod.com/virtual-work-experience)

The closing dates for registration using the above link vary, and it is recommended that students register as soon as possible to guarantee their placement.

Yours sincerely

Mr Nick Oakhill
