

Dear Students and Parents/Guardians,

Soham Village College students have been offered the once in a lifetime opportunity to take part in a school expedition to Borneo (PADI) in summer 2025 with Outlook Expeditions, the leading independent provider of youth development programmes in the United Kingdom.

Expeditions are so much more than a school trip. They develop character, build resilience and improve wellbeing – the tools required to be a leader and tackle life's challenges effectively. Taking part in this inspirational, immersive learning experience – outside the classroom – also enables students to accelerate development of core skills.

The expedition costs £4,495 which is protected by ATOL (6697) and can be paid via scheduled payment plans. As part of the programme, we support students through [Pay Your Way](#) which provides guidance, resources and support to help participants earn the cost of their expedition through enterprise activity.

Where can I find more information?

Outlook Expeditions will be hosting an information webinar on Wednesday 20th September at 7:30pm and we'd be delighted if you and your son or daughter could join us. The webinar is your chance to find out more about Outlook Expeditions and decide, as a family group, if the Outlook programme and expedition to Borneo is something you want to get involved in.

To register your attendance and for more information, please visit:

<https://outlookexpeditions.com/schools/soham-village-college-2025>

If you are interested but unable to attend the webinar, please still register and we can send you a recording afterwards.

Yours faithfully,

The Outlook Team
