

25 September 2023

Dear Parents/Carers

Science Department Year 8 Visit to Science Museum

We are writing to invite your child to participate in the Science department visit to the Science Museum in London on Tuesday 21 November 2023. This educational visit will give students an opportunity to find out about and get hands on experience in a range of Science, Technology, Engineering, and Mathematics (STEM) careers. They will visit two of the galleries to investigate where their science studies can take them in the future and will also attend a STEM skills session in which students will get to speak to employers about their industry.

Travel will be by coach, leaving the College at around 8am on Tuesday 21 November 2023 and returning at around 4.30pm.

The cost of the visit will be **£28.00**. This will be payable upon allocation of a place on the trip.

If you would like your child to take part in this visit, please complete the expression of interest form found here <https://forms.office.com/e/tCZ3C6pQPs> by **Monday 1 October**. If your child is allocated a place further details will follow including information about payments. The payment will be due by Monday 16 October.

Places for this visit are limited to 30 and should the number of students wishing to take part exceed the places available they will be allocated on a randomly generated basis.

If the school receives additional Pupil Premium (PP) funding for your child, then we may be able to offer a limited financial contribution towards the cost of the visit. Please be aware that the amount we are able to offer will depend on the number of requests.

Further details will be provided if your child secures a place on the visit, but if you have any further questions, please do not hesitate to contact me by email.

Yours sincerely,

Ms Hannah Stephen
Lead Teacher for Chemistry
