

26 September 2023

Dear Parents and Carers,

**On-line booking for Y11 science revision sessions in the run up to the November mock exams**

The Science Department has put together a comprehensive revision program designed to support those students who would like help with their exam preparation. There will be 4 lunchtime revision sessions covering the 'Big Ideas' associated with the November mock topics starting the week commencing Monday 02 October. Each session will run between 1.30pm and 2.00pm.

The online booking system opens on **Tuesday 26 September**, details of how to book onto the sessions are provided at the end of this letter. The aim of the on-line booking system is to ensure that you, as a parent or carer, are fully informed about the revision opportunities that are on offer for your child this term. We have a limited number of places available, so it is advisable to book your place early. If a session is full, please ask your child to speak with the teacher in charge of the session and if necessary encourage them to turn up and see if a place becomes available. Please discuss the booking with your child in advance and stress the importance of their attendance.

If you have booked your child into a session and you know that they will be unable to attend, please notify the school, so that we can offer the place to another student on the waiting list.

In addition to the lunchtime revision sessions we have set up a bespoke google classroom for the November mock exams. Your child will have access to a variety of revision materials such as revision mats with answers, video clips of the required practicals and subject content together with broadsheets and questions, again with answers. If your child is struggling to access any of these resources, please ask them to speak directly with their class teacher. Please feel free to view the material on offer and encourage your child to start their revision early.

**Google classroom codes are:**

Foundation – 07ik7eq

Higher – ffpheuc

Triple – mym7bd2

Finally, I would like to take this opportunity to remind of my previous letter informing you that we have a number of additional revision aids on sale in the finance office. In case the letter has been mislaid then you will find the forms below the booking instructions.

If you need any further support or advice please do not hesitate to contact the school.

Kind regards,

**Mrs Karen Holden**

Director of Science, Health & Social Care

## **Booking onto revision sessions using the parents evening booking system**

Go to: <https://sohamvc.schoolcloud.co.uk/>

Enter the information asked for, it uses the name and email addresses that you use for Go4Schools

The screenshot shows the login page for the Soham Village College Parents' Evening System. It includes a header with the college name, a welcome message, and a 'Your Details' section with fields for Title, First Name, Surname, Email, and Confirm Email. Below this is a 'Student's Details' section with fields for First Name, Surname, and Date of Birth. A 'Log In' button is at the bottom, and links for 'Teacher Login' and 'Administrator Login' are in the footer.

This screenshot displays a list of revision sessions for Y11 mock exams. Each session has a title, a description, and a 'Continue' button. The sessions are: Physics revision for Y11 mock exams, Biology revision for Y11 mock exams, and Chemistry revision for Y11 mock exams. There is also an 'OVERFLOW: Chemistry revision for Y11 mock exams (HIGHER)' session.

You will be presented with a screen that lists the subjects available at this time. Click continue on the subject you want

Click 'book' on the session you want to attend and select 'one place'. Go back and do the same to any other sessions within that subject or click on home and go back to the start menu

This screenshot shows a list of revision sessions with their dates and times. Each session has a 'Book' button. The sessions are: Osmosis (Foundation) - Wednesday, 2nd Oct, 13:30 - 14:00 (Unavailable, Closed); Cells & Microscopy (Higher) - Tuesday, 9th Oct, 13:30 - 14:00 (Places Available); Cells & Mitosis (Foundation) - Wednesday, 10th Oct, 13:30 - 14:00 (Places Available); Stem cells & cell cycle (Higher) - Tuesday, 16th Oct, 13:30 - 14:00 (Places Available); Plant vs animal cells (Foundation) - Wednesday, 17th Oct, 13:30 - 14:00 (Places Available); Disease & immunity (Higher) - Tuesday, 30th Oct, 13:30 - 14:00 (Places Available); and Photosynthesis (Foundation) - Wednesday, 31st Oct, 13:30 - 14:00 (Places Available).

Please return to the Finance Office  
 Revision materials for **Year 11 Combined Science** GCSE Students  
 (You can find the tier of entry for your son/daughter from Go4Schools)

I would like to purchase the following revision guides for my child:

<b>Students studying Combined Sciences could purchase:</b>	<b>Cost</b>	<b>✓</b>
<b>Revision Guide</b>
