

26 September 2023

Dear Parent/Carer,

Virtual Work Experience Opportunity – Years 9, 10 & 11

We are continuing to offer the Springpod virtual work experience opportunities and I am delighted to tell you about the current experience opportunities that are available on their website

<https://www.springpod.com/>

The range of sectors remains similar to before, with new industries being added all the time. Some are offered 'live', whilst others are available on-demand.

Current opportunities include:

***Accountancy
Engineering
Journalism
Property
TV & Film***

***British Library
Hospitality
Legal
Publishing
Veterinary Science***

***Civil Aviation
Investment Banking
Net Zero Careers
Routes into Rail
Volvo Trucks***

Some have deadlines coming up quite soon, and some have a minimum age and also geographical restrictions, so make sure you take a look at the website to see which ones might be suitable for your child.

Students can usually complete their chosen programme in their own time between the designated dates, and a certificate is awarded at the end (provided 100% of the programme is completed) As well as giving students a fantastic insight into a sector they are interested in, completion of the programme is great for inclusion in college and university application personal statements, CV's and job applications.

Yours sincerely

Mr Nick Oakhill
Careers Education, Information, Advice & Guidance Manager
