- Not let any hiring out of the premises interfere with the trust's, and the school's, primary purpose of providing education to its pupils
- Hire out facilities in a way that is safe, following government guidelines and relevant risk assessments

### 3.2 Cancellations

The Trust/school reserves the right to cancel any agreed hiring with a minimum of 14 days' notice. This is at the discretion of the headteacher of each school and/or the Operations Director of the Trust, for any reason outside their control.

A full refund will be issued if the Trust/school does cancel a hire. Neither the school nor the Trust shall be liable for any indirect or consequential losses, including (without limitation)

any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The revenue raised from hiring out will be reviewed by the Executive PA and will be fed into the school's financial reporting to the Trust, to ensure best value is being achieved.

## **4. Application process**

Those wishing to hire the premises should complete a hire request form, which you can find in [appendix 2](#), together with the terms and conditions of hire, set out in section 5.

A list of partner groups is kept by the Trust's Finance department.

## 7. Safeguarding

The Staploe Education Trust and its schools are dedicated to ensuring the safeguarding of its pupils at all times. It is a requirement of hire that hirers abide by the Trust and school's requirements in respect of safeguarding. Any failure from the hirer in this respect will result in the hire being terminated.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

The hirer must provide evidence that they have the appropriate level of DBS check for their staff or volunteers involved in the activity they are running if it involves children aged 18 or younger, or vulnerable adults. This confirmation must also be provided if the activity will be on school premises during school hours or when pupils may be present in the school (during after school clubs or extra curricular activities).

A current copy of the hirer's safeguarding and child protection policy must be provided to the school prior to agreement of the hire of any school premises ensuring that there are arrangements in place to liaise with the school on matters where appropriate. This safeguarding and child protection policy must meet the expected standards of the Trust. It is the headteachers responsibility to assure the Trust Board that the hirer is following their safeguarding and child protection policy and procedure, and that these are appropriate.

If the Trust Board are not satisfied that safeguarding requirements are being complied with they this will lead to termination of the hire agreement.

## **8. Monitoring arrangements**
