

15 March 2023

Dear Parents and Carers

### **'MATHS IN ACTION' AT THE PLEASUREWOOD HILLS THEME PARK**

The Maths Faculty is organising a 'Maths in Action' day for Year 9 students to Pleasurewood Hills Theme Park, Lowestoft. The aim of the day will be to complete a mathematical project based on one of the rides at the park and hence will offer the students an excellent opportunity to study some 'real life' maths. We had planned for this trip in Year 8 but due to unforeseen circumstances could not go ahead and we are so excited to offer this opportunity to our students again this year!

The trip will be on **Wednesday 10 July 2024**. The party will travel by coach, leaving Lodeside Car Park at 8:50am and arriving back at approximately 6pm.

The cost of the trip is **£33.00** which covers the coach, entrance fee and insurance. If allocated a place, this will be payable on ParentPay by Friday 26 April. If the school receives additional Pupil Premium (PP) funding for your child, then we are able to offer this trip at a reduced cost of **£10.00**.

Places for this visit are limited and should the number of students wishing to take part exceed the places available they will be allocated on a randomly generated basis.

To register your interest for this visit please complete the expression of interest form <https://forms.office.com/e/Gk0r2hykEY> by **Monday 25 March**. If your child is allocated a place further details will follow.

If you have any further questions, please do not hesitate to contact me.

Yours sincerely,

Mrs Meyn
