Dear Parents and Carers,

On-line booking for Y11 science lunchtime revision sessions in the run up to the GCSE exams

With the GCSE exams fast approaching, I would like to let you know about our final round of lunch time revision sessions for science students. We will be running 3 weeks of revision sessions, with 1 each of Biology, Chemistry, and Physics, for each tier of entry. This means each student could be booked onto 9 applicable revision sessions. The sessions will start on Wednesday 17 April, and booking will open on Monday the 15 April at 09:00 am.

In addition to this, there will be final revision sessions on the day before, or the morning of each examination. I will send out a separate letter closer to the time with details about these.

If you wish your child to take part in the above revision opportunities, please use the **parents' evening online booking system** to book your child onto a session, details of how to book onto the sessions is provided at the end of this letter. We have a limited number of places available, so it is advisable to book your place early. Please discuss the booking with your child in advance and stress the importance of their attendance. If you are unable to book on it is recommended that your child turns up on the day to see if there is reasonable space in the room.

Can I also take this opportunity to inform you about the online revision materials we have uploaded to the final GCSE revision Google Classroom. The codes to access these resources are detailed below.
