

17 April 2024

Dear Parents and Carers,

Year 10 Parents' Evening by Video Call – Thursday 18 April 2024

A reminder that tomorrow evening is Year 10 Parents' Evening.

To start the virtual Parents' Evening, you go to the same place that you made the bookings <https://sohamvc.parentseveningsystem.co.uk>.

We recommend that you login in good time and click 'start video appointments'. This will display your video and a countdown to your first appointment time. Joining early allows you to check your video is working, there is no way of starting an appointment before time so don't worry about being on it too early.

As for our usual Parents' Evenings, we welcome the students to join the meetings.

Yours sincerely,

Ed Slingsby
Deputy Headteacher
eslingsby@soham-college.org.uk
