Dear Parents and Carers,

**Re: Feedback on the year so far**

Students in year 10 have settled really well into their KS4 courses and the year group is making excellent progress. We had very successful mock exams for option subjects in March and we will be continuing with our exam preparation program with core mock exams in June; more details about these will follow in a few weeks. We would really like to hear about your experience of school so far this year, if you attended parents evening you can also give feedback on that too.

Thank you for your support.

Yours sincerely,
