

19 April 2024

Dear Parent/Carer,

## **Year 10 – Cambridge Regional College Taster Day – Tuesday 18<sup>th</sup> June**

Cambridge Regional College have announced details of their Yr10 Taster Day, to enable those students who are considering applying there in the autumn term to visit and tour the campus, and take part in lessons related to a subject they are interested in.

Students are required to register via the school in the first instance. The registration process is open now, with a deadline set for **Friday 3rd May**. Please complete the form via the link below, indicating which session your child wishes to take part in, together with three back up choices in order of preference. Any applications received after this date will not be accepted, and please ensure subject choices are not duplicated. Once CRC have received the applications and confirmed which session students will be participating in, I will inform students via their form tutor.

<https://forms.office.com/e/RvL22UyikF>

9.15 – 9.30am: Arrive CRC to register  
10am: Activities begin  
2pm: Activities end, students allowed to leave college and go home

Students do not need to wear school uniform, will need to bring a packed lunch and a drink, and will not be allowed to leave the site before the end of the day. Students will be required to make their own arrangements to get to and from the College, with the exception of our Foundation Learning Tier students for whom transport will be arranged. All students will receive authorised absence from school on the day. I will be at CRC to provide any support to students or to the college, and I will also ensure that students registered to attend appear on the day.

Please note that this taster day clashes with a Year 10 Geography trip to Sheringham which is an important part of student's studies. This trip for all geography students is compulsory and will therefore take priority over the taster day.

Yours sincerely

Nick Oakhill
