

24 April 2024

Dear Parents and Carers,

Big Bang Fair – Thursday 20 June 2024

This summer we would like to offer 50 Year 7 students the chance to attend the Big Bang Fair at the NEC in Birmingham. We will be travelling by coach to spend the afternoon exploring exciting, interactive and STEM inspired activities. There are a range of exhibitors, from the environment and sustainability, to inventions and innovating the next big thing, with activities specifically designed for ages 10-13. If you would like to know more please have a look at their website: <https://www.thebigbang.org.uk/the-big-bang-fair/>

The trip will take place on **Thursday 20 June 2024**. The party will travel by coach leaving at 11am and will travel back to school by coach returning that evening at around 5pm. Parents will need to make arrangements for their child to get home or to be collected from school on our return.

The cost of this trip is **£25** which will be due by 20 May, though payment will not be required until we have confirmed the student's place on the trip. There may be some support offered with the cost of this trip for those students who we receive Pupil Premium funding for. Once places have been allocated the support offered will be confirmed. If this applies to your child please indicate this on the reply form.

Should the number of students wishing to take part exceed the places available, places will be allocated on a randomly generated fair basis. We will send out letters in due course to successful students with further details including instructions on how to pay.

To register your interest for this trip please complete the online reply form on this link <https://forms.office.com/e/YxLHLnrBcr> no later than **7 May 2024**.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully,

Charlotte Vince
