

2 October 2024

Dear Parents and Carers,

RE: Online booking for Y11 November mock Science revision sessions, Google classroom revision resources, & Revision purchases from the school shop.

The Science Department has put together a comprehensive revision program designed to support those students who would like help with their November mock exam preparation.

There will be 4 lunchtime revision sessions covering the 'Big Ideas' associated with the November mock topics. They will start on the week commencing **Monday 07 October**. Each session will run between 1.30pm and 2.00pm.

There is an **online booking system** that opens on **Friday 04 October**. Details of how to book onto the sessions are provided at the end of this letter. The aim of the online booking system is to make sure that you are fully informed about the revision opportunities that are on offer for your child this term. We have a limited number of places available, so it is advisable to book their place early.

If a session is full, please ask your child to speak with the teacher in charge of the session, and if necessary encourage them to turn up and see if a place becomes available. Please discuss the booking with your child in advance and stress the importance of their attendance.

If you have booked your child into a session and you know that they will be unable to attend, **please notify me**, so that I can offer the place to another student on the waiting list. My email address is below.

In addition to the lunchtime revision sessions we have set up a bespoke google classroom for the November mock exams. Your child will have access to a variety of revision materials such as revision mats with answers, video clips of the required practicals and subject content together with broadsheets and questions. If your child is struggling to access any of these resources, please ask them to speak directly with their class teacher. Please feel free to view the material on offer and encourage your child to start their revision early.

The **Google classroom codes are:**

Foundation	ryiz7gk
Higher	srlkypa
Triple	ivklej2

Soham Village College
Sand Street, Soham
Ely, Cambridgeshire

Tel: 01353 724100
Email: svc@soham-college.org.uk
www.sohamvc.org

Other schools in our Trust:
Kennett Primary School
The Shade Primary School
The Weatheralls Primary School

Finally, I would like to take this opportunity to inform you of revision resources that are available to buy from the school shop in the finance office by cash or cheque (cheques payable to The Staploe Trust). We have a limited number of **Collins AQA work books** left in stock that are still available, and we have started stocking the new **Oxford 'complete revision and practise' books**. Both of these resources cover the course content that the students have been studying. It would not be necessary to purchase both Collins and Oxford products. The prices for these resources can be found in the reply slip at the end of this letter, and they are reduced by 50% on the registered retail price.

If you need any further support or advice please do not hesitate to get in touch.

Kind regards,

Mr Matthew Collard

Head of key stage 4 science
