

7 October 2024

Dear Parents / Carers,

I hope this letter finds you well.

I am reaching out to you all as your child is now entering into year 10 with us at Soham Village College. As I am sure you will be aware this period of time can be a challenging one for the students as they begin their GCSE qualifications, which is why we would like to provide as much assistance and advice as we can in order to help all students achieve their own personal objectives.

During the year 10 parents' information evening held earlier this term I spoke about exam revision and exam support. Much was discussed about support at home but alongside this I would also like to extend further support at school. As such, I will be running drop in 'exam booster' sessions on the first Monday of each month throughout this term in order to enthuse and engage our year 10 students in the beginning of their revision journey.

There is no need to sign up for these sessions, I would just like to raise awareness of them. The required details are as follows:

Dates:

Monday 7th October 24

Monday 4th November 24

Monday 2nd December 24

Location: S2

Time: 3 – 4pm

It would be great to see as many students at these sessions as possible as it will provide further insight into revision techniques, provide resources and offer a space for revision support.

If you have any questions please feel free to contact me.

Yours Faithfully,

Charlotte Palmer
