Dear Parents and Carers

Key Stage 3 Design technology Voluntary Contribution

At Soham Village College your child will complete several Design & Technology projects. Throughout the year they will use a certain amount of material (wood, metal, textiles etc.) and consumable equipment (paint, paint brushes, varnish etc.) to complete the practical elements. To enable the school to provide these basic requirements we would ask you to make a voluntary contribution of £3 towards the cost.

Payment can be made via parent pay.

We hope your child has an amazing experience in these lessons and you look forward to seeing their final outcomes of which they will have worked incredibly hard on.

Kind regards

Mrs Mosley
Head of Design Technology
