Dear Parents/Carers

Whatsapp: The World's Biggest Group Chat

A small number of students have reported being added to the Whatsapp group above, by someone who doesn't attend Soham Village College.

The chat consists of a lot of inappropriate content, including graphic pornography and violence. It is possible that other students have also been added to the chat, that we are unaware of. Please discuss this with your child/ren and if they have joined the chat help them to block it and report it.

Thank you
