

21 January 2025

Dear Parents and Carers,

Extra-Curricular Clubs – Spring 2024/25

We are very proud to be able to tell you about our updated Clubs timetable.

This term sees a range of new student-led clubs starting; from Yarn Club on a Friday afternoon to Y9-11 Pharmacology during Monday lunchtimes. We also have a new Y7&8 Astronomy club for students interested in space and our very popular, Wake Up & Warm Up! Year 7 club, is being expanded for Year 8s during Wednesday form time.

After half term, when it's a little lighter in the afternoons, we will see the return of football after school. We also have a new 'Tea, Toast & Talk' student-led wellbeing support group for Years 7-9 on a Thursday morning before school.

I do hope you will encourage your child to get involved with as many clubs as possible as they really are a fantastic way to make friends and learn new skills. They should also receive +2 Behaviour Points for every club they attend, an extra little bonus.

You can find the Spring Term Timetable by following this link to the school's website:
[Soham Village College - Extra-Curricular Clubs \(sohamvc.org\)](https://www.sohamvc.org/extra-curricular-clubs)

Please contact me directly if you have any feedback about our extra-curricular opportunities.

Kind regards,

Richard Pearce

Assistant Head
