Dear Parents and Carers of Year 11,

Re: Science Revision Support for Year 11 Students Ahead of March Mock Examinations

To support Year 11 students in preparing for their March mock examinations, the Science Department is offering lunchtime revision sessions. These sessions will run from **1:30 PM to 2:00 PM** for **four weeks**, starting the week commencing **Monday, 3rd February**.

While these sessions are designed to aid students' revision, independent study remains essential. Students do not need to book in advance—simply attend the relevant session and sign the register.

Revision Programme Schedule:

Day	Session	Location
Monday	Chemistry (Triple)	S8
Tuesday	Physics (Foundation, Week A in M3, Week B in S2)	M3/S2
	Physics (Triple)	S7
Wednesday	Biology (Foundation)	S2
	Biology (Higher)	S9
	Biology (Triple)	M3
Thursday	Chemistry (Foundation)	S5
Friday	Chemistry (Higher)	S7
	Physics (Higher)	S4

Additional Revision Resources

We have created **Google Classrooms** with resources tailored to the March mock exams. It is strongly recommended that students join these classrooms using the following codes:

Combined Science (Foundation): **jvraxxr**

Combined Science (Higher): **vuxtmv2**

Separate Science (Triple): **x7uq6ri**

Revision Materials Available for Purchase

The school shop, located in the Finance Office, stocks a range of revision guides and workbooks from **Oxford** and **Collins**. Attached to this letter is an order form with prices. While both brands are available, it is not necessary to purchase materials from both.

Thank you for supporting your child's science studies. Should you have any questions, please don't hesitate to contact me.

Kind regards,

Mr Matthew Collard

Head of Key Stage 4 Science
