Dear Parents and Carers,

Extra-Curricular Clubs – Autumn 2025/26

We are very proud to be able to tell you about our updated Clubs timetable.

Now the fantastic full-size 3G Astro pitch is open, this term brings after-school football clubs for girls and boys in years 7-9. We also have the usual vast array of music clubs and a wide range of other groups from Art Creatopia to a supportive Young Carers Drop-in.

I do hope you will encourage your child to get involved with as many clubs as possible as they really are a fantastic way to make friends and learn new skills. They should also receive +2 Behaviour Points for every club they attend, an extra little bonus.

We'll be adding more clubs to the timetable over the next few weeks, as student-led groups get started, so please check back regularly to see what's on offer.

You can find the Autumn Term Timetable by following this link to the school's website:

Please contact me directly if you have any feedback about our extra-curricular opportunities.

Kind regards,

Richard Pearce
