Dear Parents/Carers,

Tesco Blue Token Fundraising for the Library

I am very pleased to let you know that the Soham Village College library has been selected to take part in Tesco Ely's Stronger Starts fundraising scheme. This aims to support initiatives in raising funds for improving opportunities and facilities.

We would be incredibly grateful if you could support us if you shop in **Tesco Ely**. From **October 2025 to January 2026**, if shopping in Tesco Ely, please do take a blue token and drop it into the slot labelled 'Improvements to the Soham Village College Library'. This will support our bid for funding for exciting new books and equipment in the library to benefit all our students.

At Soham Village College, we are constantly seeking for ways to support students with their reading. We all know how vital reading for pleasure is in improving mental health, ensuring academic success and increasing social mobility in young people. Thank you in advance for your support of this great opportunity for the school and our students.

Yours faithfully,

Mrs Webb
Librarian
