

9 October 2025

Dear Parents and Carers,

RE: Online booking for Y11 November mock Science revision sessions, Google classroom revision resources, & Revision purchases from the school shop.

The Science Department has put together a comprehensive revision program designed to support those students who would like help with their November mock exam preparation.

Unfortunately, due to unforeseen circumstance, there will now be 3 lunchtime revision sessions instead of 4. The session will cover the 'Big Ideas' associated with the November mock topics. They will start on the week commencing **Monday 13 October**. Each session will run between 1.30pm and 2.00pm.

There is an **online booking system** that will be opening today **Thursday 09 October**. Details of how to book onto the sessions are provided at the end of this letter. The aim of the online booking system is to make sure that you are fully informed about the revision opportunities that are on offer for your child this term. We have a limited number of places available, so it is advisable to book their place early.

If a session is full, please ask your child to speak with the teacher in charge of the session, and if necessary encourage them to turn up and see if a place becomes available. Please discuss the booking with your child in advance and stress the importance of their attendance.

In addition to the lunchtime revision sessions, we have set up a bespoke google classroom for the November mock exams. Your child will have access to a variety of revision materials such as revision mats with answers, video clips of the required practicals and subject content together with broadsheets and questions. If your child is struggling to access any of these resources, please ask them to speak directly with their class teacher. Please feel free to view the material on offer and encourage your child to start their revision early.

The **Google classroom codes are:**

Foundation	i3bacooi
Higher	qznbu2d4
Triple	k2msp32j

Soham Village College
Sand Street, Soham
Ely, Cambridgeshire
CB7 5AA

Tel: 01353 724100
Email: svc@soham-college.org.uk
www.sohamvc.org

Other schools in our Trust:
Kennett Primary School
The Shade Primary School
The Weatheralls Primary School

Finally, I would like to take this opportunity to inform you of revision resources that are available to buy from the school shop in the finance office. We have a limited number of **Collins AQA work books** left in stock that are still available, and we have started stocking the new **Oxford 'complete revision and practise' books**. Both of these resources cover the course content that the students have been studying. It would not be necessary to purchase both Collins and Oxford products. The prices for these resources can be found in the reply slip at the end of this letter, and they are reduced by 50% on the registered retail price.

For students that we received additional pupil premium funding for, we are able to offer a 50% discounted price to parents for the revision guides, all other resources listed will be charged at full price. If this causes any concerns, please contact Richard Pearce at: RPearce@soham-college.org.uk.

To purchase any of these resources, students should take the order form to the finance office with either cash or cheque payable to 'Staploe Education Trust'.

If you need any further support or advice please do not hesitate to get in touch.

Kind regards,

Mrs Karen Holden

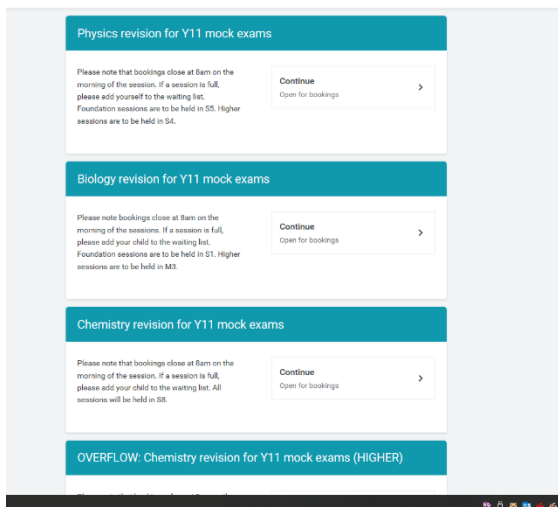

Director of Science

kholden@soham-college.org.uk

Booking onto revision sessions using the parents evening booking system

Go to: <https://sohamvc.schoolcloud.co.uk/>

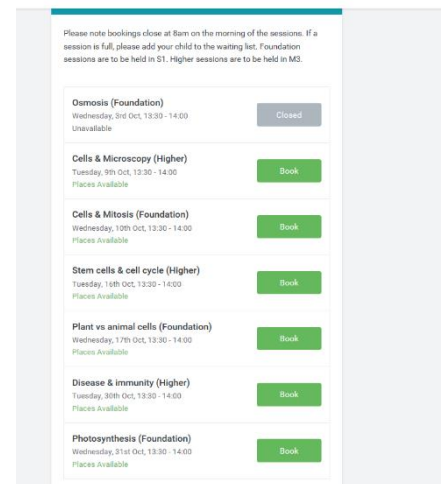

Enter the information asked for, it uses the name and email addresses that you use for Go4Schools

Click 'book' on the session you want to attend and select 'one place'. Go back and do the same to any other sessions within that subject or click on home and go back to the start menu

The screenshot shows the login page for the Parents' Evening System. It includes fields for Title, First Name, Surname, Email, and Confirm Email. Below these are fields for Student's Details: First Name, Surname, and Date of Birth (with dropdown menus for month and year). A 'Log In' button is at the bottom. Links for 'Teacher Login' and 'Administrator Login' are at the bottom right.

You will be presented with a screen that lists the subjects available at this time. Click continue on the subject you want
