

08/10/2025

Dear Parents and Carers,

On-line booking for Year 11 maths revision sessions in the run up to the November Mock exams

The maths department will be running two revision sessions in the weeks leading up to the mocks. Sessions will run after school from 3.05pm until 4.05pm as detailed below. We will sort students into the correct level of the correct tier once booking has closed.

Date	Session
Wed 22 nd Oct	Algebra and Geometry
Wed 5 th Nov	Number and Data Handling

We will be using the online booking system (the same software as we use for parents' evening), along with the English and Science departments. Please note, that in order to ensure that the correct number of resources can be copied and students can be sorted into appropriate groups, **booking will close at 9am on the day before each session**. The link for the booking system can be found in the year 11 revision section on the school website and I have included the link: <https://sohamvc.schoolcloud.co.uk/>. If you encounter problems with the booking system, please send me an e-mail (rhollingworth@soham-college.org.uk).

Students will be informed of the venue for their session during their maths lesson on the day of the revision session.

A reminder that students can purchase additional revision material from the finance office – all details will be on the student bulletin. Extra revision resources can also be found on the Maths revision google classrooms. The Higher revision classroom code is: **jkgeyqip** and the Foundation revision classroom code is: **ab5bluc4**.

Yours faithfully,

Rachel Hollingworth
