

8 December 2025

Dear Parents/Carers,

**Subject: Help Your Child Get Ahead for Year 10 Mid-Year Exams**

The mid-year exams are just around the corner, and now is the perfect time for Year 10 students to start revising. Early preparation can make a huge difference in building confidence and achieving strong results.

To support your child, we are offering **a limited number of high-quality revision resources at further discounted prices**. These materials are already heavily discounted and have been proven to help students:

- **Consolidate key knowledge** from this term
- **Practice exam-style questions** to boost confidence
- **Develop effective revision habits** before the Christmas break

The revision guides are available to purchase from the finance office. Stocks are very limited, so we encourage you to act quickly to secure these resources for your child.

Thank you for partnering with us to help every student succeed.

Kind regards,

Karen Holden

Associate Assistant Headteacher - Director of Science, Health & Social Care
