Dear Parent/Carer,

Year 11 geography after school revision sessions for May/June GCSE examinations

The geography department will begin to run our after-school revision sessions shortly; please find details below. Each session will focus on a different aspect of the GCSE geography curriculum and will be run by a GCSE geography teacher (not necessarily your child's teacher). The revision sessions will run after school from 3:10-4pm.

In previous years, we have found revision sessions to be very helpful for students to identify areas of weakness and plan their own revision schedule appropriately. In 2025, every student who attended all or the majority of the sessions achieved or exceeded their target grade.

Sessions can be booked through the student's geography teacher. These will be available on a first come first served basis. The closing date to book will be the day before each session is due to run so that we know the numbers we are accommodating in each session.
