

2 February 2026

Dear Parents and Carers,

This letter has information about:

- **Parent/Carer and Child Revision Evening**
- **Revision resources to purchase**
- **Exam support booklets**

Parent/Carer and Child Revision Evening Sign-up

A reminder that our Year 11 'Parent/Carer **and** Child Revision Evening' is on Thursday 12 February 5.40 – 7.00pm. Please come to the main reception at Lodeside.

To help with planning the session, **please sign up** here [SchoolCloud - Soham Village College](#)

The aim of the session is to consider and try out practical strategies to support your child as they prepare for their exams. We know that many students struggle to get organised in time and that it can be hard work supporting them if you do not know what help is available. We would like to show you where you can find support for your child and how to use that support as successfully as possible.

This is for both parents **and** children to attend however, if only one of you is able to attend that is absolutely fine.

The evening will start with an introduction to some practical approaches to make revision more effective, followed by three sessions focused on the techniques we believe make a big difference to the overall performance of students in exams.

Revision resources to purchase

We will be selling revision guides, workbooks, flash cards and more after the event including the chance to order them and then for your child to collect them in school. We sell all our items at cost price and often have a special discount from the supplier so it is a great opportunity to make sure you have the resources that might help your child. We will take payments by card, cash or cheque.

Students who are eligible for financial assistance from the Pupil Premium support fund will have been provided with all the copies of the English revision materials, a copy of the maths revision guide, the science revision guide and workbook.

Exam support booklets

We have exam support booklets for both the March core subject mocks (that begin on 10 March) and the final summer GCSE exams available on the year 11 section of the school website. These contain information about how many exams there will be in each subject, how long they will be and the topics that they will cover. There is also key revision information to direct students to the best resources available as well as advice on how to get started and how to plan a revision timetable. These can be found at: [Soham Village College - Year 11 Revision \(sohamvc.org\)](http://sohamvc.org)

I look forward to seeing you.

Yours faithfully,

Edward Slingsby
Deputy Headteacher
