Your child does not need to sign up to the sessions, they can just turn up. Please do encourage attendance. As you will see, one session a week is open to all students, with a focus on content. The other session is targeted towards students who are working at a grade 7 – 9 level. We have run these sessions for a number of years now and all evidence points to the fact that attendance can have a direct impact on success in the final exams. All sessions will run from **3:05 to 4:05pm**.

Yours faithfully,
