Dear Parents and Carers,

Mobile phones in schools

We have written today to parents and carers in Years 7-10 about the Department for Education's requirement for all schools to become phone-free environments.

The new regulations will be introduced during the summer exam season but this will not affect Year 11 who will continue to follow the current policy in order to let them fully focus on their remaining exams.

Thank you for your support.

Yours faithfully,

Jon Hampson
