Dear Parent/Carer,

**Re: Consultation on implementing the national mobile phone rule change at Soham Village College**

Students have all now attended an assembly to inform them that mobile phones will not be allowed on their person at all during the hours of 8.30am and 3.00pm when at school. This will come into force from the 1 June, the start of the final half term.

As we prepare to introduce this update and finalise our policies, we would greatly value your views. Your feedback will help us ensure that the new arrangements are clear, workable, and supportive for the whole school community.

Please take a moment to complete the short questionnaire here: [Introduction of the national mobile phone rule change to schools – Fill in form](#)

Yours faithfully,

Edward Slingsby
