

25 March 2026

Dear Parents and Carers,

Re: Design Technology Year 11 Exhibition invitation

On 1st June, your child will begin their Design Technology Non-Examined Assessment (NEA), which accounts for 50% of the final GCSE grade. This project will run through to Easter of Year 11.

Students have already started a mini version of the NEA, replicating many of the skills in preparation. In order to support and inspire our Year 10 students as they embark on the final process, we would like to invite you to the GCSE Design Technology Year 11 Exhibition. The event will take place in Lodeside Hall on **21st May, from 4–6pm**.

This exhibition is an excellent opportunity to view the current cohort's portfolios and final outcomes, and to gain a clear sense of the creativity and commitment involved in the NEA.

Kind regards

Mrs Mosley
Head of Design Technology
