Dear Parent/Carer,

Year 10 - College of West Anglia Taster Day - Thursday 25th June

The College of West Anglia (Cambridge campus) have announced details of their Year 10 Taster Day, to enable those students who are considering applying there in the autumn term to visit and tour the campus, and take part in sessions related to a subject they are interested in.

PLEASE NOTE – this taster day clashes with The Oakes College taster day, although registration details are yet to be released for The Oakes.

The booking system is open from **12noon Monday 11th May** and will close **12noon on Friday 22nd May**. One taster session only should be booked for your child, if multiple sessions are booked then only one will be selected which may not be their first choice. Places will be allocated on a first come first serve basis. The sessions available are Animal Management, Animal Science, Equine, or Dog Grooming.

Your child's session will be confirmed by The College of West Anglia after the deadline date, and details will also be shared with the school to check attendance on the day.
