Dear Parent/Carer,

RE: Year 10 Lunchtime Science Revision Sessions – Bookings Opening Soon

We are pleased to offer lunchtime revision sessions for Year 10 students in preparation for their end-of-year Science exams. These exams will take place three weeks after the half-term break, in the week commencing Monday 15th June.

The revision sessions will begin in the week commencing Monday 1st June and will run from 13.00 to 14.30, and there will be 1 session each of Biology, Chemistry, and Physics per week, for each different tier of entry (Triple, Higher, and Foundation)

Parents can book sessions using the Parents' Evening online booking system, which will open on Friday 22nd May at 17.00. Instructions for booking are included at the end of this letter. You can check your child's tier of entry by logging into Go4Schools.

Places are limited, so we recommend booking early. If a session is full, students are encouraged to speak to the teacher in charge or attend on the day to see if a place becomes available.

In addition to the lunchtime sessions, we have created dedicated Google Classrooms for each exam tier. These contain a wide range of revision materials, including:

- Revision broadsheets with answers
- Videos of the required practicals with exam-style questions
- Links to BBC Bitesize revision pages
- Practice activities

If your child has any difficulty accessing these resources, they should speak to their class teacher.

Google Classroom codes:

- Combined Science Foundation Tier – 54jr3tvb
- Combined Science Higher Tier – voaqfjnt
- Triple Science – 5c6dkcw6

If you have any questions or need further support, please do not hesitate to get in touch.

Yours sincerely,

Mr Matthew Collard
