

3 June 2026

Dear Parent/Carer

**Year 9 PSHE Day – Friday 3<sup>rd</sup> July 2026**

I am writing to share details of the Year 9 PSHE/Careers Day on **Friday 3<sup>rd</sup> July**, and the process for selecting activities for the *World of Work* sessions

Students will participate in *World of Work* sessions (periods 3–5) They will choose one activity linked to a subject of interest, which may be one of their chosen GCSE subjects or a subject activity they want to take part in.

**Available subjects include:**

Design & Technology, Drama, Film & Media, Food Preparation & Nutrition, Geography with Business Studies, ICT with Business Studies, History, Modern Foreign Languages, PE, and Science. Some activities may feature professionals coming into school to share insights about their careers.

**How to Choose:**

Students will be emailed a **Google Forms link on Thursday 11 June at 4pm** to select their main activity and two reserve options. Allocations will be on a first-come, first-serve basis, with reserves used if certain subjects are oversubscribed. The deadline for submissions is **Thursday 18<sup>th</sup> June**.

Please encourage your child to check their emails on the date and time given above (also check spam folder) and complete the Google Form promptly and correctly to increase their chances of securing their preferred activity. After the deadline, students will be made aware of which subject they have been allocated. Students who haven't registered will be allocated a subject at random.

Yours sincerely
