

22 June 2026

Dear Parents and Carers,

As you will be aware, the weather forecast is for very high temperatures for the rest of this week with amber warnings in place for extreme heat.

Therefore, I am writing to ask you to inform your child of the following steps which will be taken to help them manage their time in school.

- School uniform will not be required from Tuesday 23 June until Friday 26 June. Students can wear their school PE kit, other sports clothing or their own clothes but they must be dressed appropriately for school. We encourage all students to bring sun cream from home and a hat for when they need to be outside.
- The Pride World Cup will be postponed until later in the term. We are aware that students have been looking forward to this event and we will send home the revised details as soon as possible.
- Adaptations will be made to PE lessons to keep students safe but kit should still be brought for lessons. The Jubilee Cup athletics competition scheduled for Wednesday has been cancelled.

Inside spaces and shaded areas are available for all year groups at social time.

Please continue to encourage your child to bring a water bottle to school and to stay hydrated.

Please note that full school uniform, with the exception of blazers, will be required again from Monday 29 June.

Thank you for your support with these measures.

Yours faithfully

Jon Hampson  
Headteacher

Soham Village College  
Sand Street, Soham  
Ely, Cambridgeshire
