

3 July 2026

Dear Parents and Carers,

Further to our previous communication regarding our move from ParentPay to Bromcom and My Child At School (MCAS), we would like to confirm the final arrangements for the transition.

ParentPay will be switched off after the lunch service on Friday 3 July 2026. After this date, you will no longer be able to log in to ParentPay or make any payments through the system.

There is no need to withdraw any remaining funds from your ParentPay account. **All account balances will be transferred securely to MCAS**, ensuring that any credit on your account is available for use within the new system.

From **Monday 6 July 2026**, parents and carers will be able to log in to **My Child At School (MCAS)** and:

- View their transferred account balances
- Make online payments for the catering services
- Pay for school trips, activities, and events

The MCAS system will be used for all payments for the remainder of the academic year and beyond.

We would like to thank you for your patience and support during this transition. We are confident that MCAS will provide a more streamlined and convenient experience for managing payments and accessing information about your child.

Yours sincerely,

David Eden
