

8 July 2026

Dear Parents and Carers,

With warmer weather forecast again, I am writing to ask you to inform your child of the following steps which will be taken in school.

- School uniform will not be required on Thursday 9 July and Friday 10 July. Students can wear their school PE kit, other sports clothing or their own clothes but they must be dressed appropriately for school. We continue to encourage all students to bring sun cream from home and a hat for when they need to be outside.
- The Pride World Cup games which are scheduled for Friday will go ahead during the cooler part of the day in the morning.
- Adaptations will be made to PE lessons but kit should still be brought for lessons.

Inside spaces and shaded areas are available for all year groups at social time.

Please continue to encourage your child to bring a water bottle to school and to stay hydrated.

Full school uniform, with the exception of blazers, will be required again from Monday 13 July.

Thank you for your support with these measures.

Yours faithfully

Jon Hampson
Headteacher

Soham Village College
