Dear Parents and Carers,

I am writing at the end of a busy school year in which the students have continued to work hard and take up the many opportunities which have been afforded to them. Many of these opportunities from the Summer Term have been recorded in the latest Parents' Newsletter: [Soham Village College - Newsletters](#). A Community Newsletter is attached to this email too.

We wish the departing Year 11, along with all other leavers and their families, well for the future.

On a personal note, thank you to parents and carers for your support of the school throughout my tenure as Headteacher. It has been a privilege to lead this school for the past ten years and an absolute pleasure to work with the remarkable students who have attended here. I am confident that the school, with its talented and committed staff under the leadership of Mr Clarke, will continue to go from strength to strength.

My very best wishes to all families for the future.

Yours faithfully

Jon Hampson
